“It’ Christmas In Kentucky”

by Steven Chapman

Standing at the window
Watching for the headlights
Coming up the driveway
For another Christmas in Kentucky
Praying that the weatherman
Can find a little snow somewhere

And send it down our way
For another Christmas in Kentucky

And it was everything to me
Hand in hand with my family
In the glow of the Christmas tree
Singing “Joy to the World”

’Cause it’s Christmas in Kentucky
It’s Christmas in LA
In the desperate streets of India
And the African plains
Listen and you’ll hear the angels heralding the
news
Glory to God in the highest
And on this Earth, God is with us
Wherever we are, everywhere
It’s Christmas

Driving down the back roads
 I'm rolling through the memories
 Going back to my hometown
 For another Christmas in Kentucky
 So many things have changed
 So much has come and gone away
 But through it all, the love remains
 That brings us back
 For this Christmas in Kentucky

And just like the guiding star
 Brought the wise men from afar
 Anywhere in the world we are
 God's love will lead us home

And it's Christmas in Kentucky
 In Franklin, Tennessee
 In the snowy North and the sunny South
 The Midwest and the Middle East

Oh, listen and you'll hear the angels heralding
 the news
 Glory to God in the highest
 And on this Earth, God is with us
 Wherever we are, everywhere
 It's Christmas

It's Christmas
 So let Heaven and nature sing
 Let all creation sing
 It's Christmas
 It's Christmas
 Joy, joy to the world

'Cause it's Christmas everywhere
 Every village and every town
 And anywhere a heart God came to give His gift
 to
 Can be found

Sing it out
 Heaven & nature
 Sing joy, joy to the world

Oh, listen and you'll hear the angels heralding
 the news
 Glory to God in the highest
 And on this Earth, God is with us
 Wherever we are, everywhere it's Christmas
 Everywhere, it's Christmas

Clarence's Comments

Christmas Luncheon

It was a wonderful, magical gathering of Kentucky Unit members for their annual Christmas luncheon. On a warm December afternoon, 33 people gathered at the Whistle Stop Restaurant in the quaint little town of Glendale, Ky. They listened to Christmas music playing in the background, enjoyed a tasty meal of turkey and dressing, discussed the many adventures they have had traveling in their Airstreams. Most importantly we were able to just sit around and enjoy the fellowship that Airstreamers like so much.

Many of our members walked the streets of Glendale stopping to visit one of the many antique shops. Some made a purchase, others spent time looking at the items and reminiscing about the time they owned a similar nick nack or item they saw on display.

Some were talking about losses last year, and those deciding not to tow.

Others talked about new members and our 2013 rally season.

And everyone, of course, should be talking about the region 5 rally to be held in Kentucky.

In 2013 the Annual Region 5 Rally will be held at General Butler State Resort Park. The campground is wonderful. Lots of things to do in the park as well as all the special rally activities that are being planned. The park has a gourmet chef which will be in charge of our dinners along with a buffet breakfast and a lunch cook out. Additionally, there will be several musical groups, a paranormal tour and a visit to the Kentucky Speedway. I hope everyone will show their Kentucky Spirit by participating in this exciting rally.

Region 5 Computer and Mobile Technology Rally September 08 - 10, 2013

Region 5 Rally September 11 - 15, 2013

From our 2013 President

Our annual Christmas luncheon was held at the Whistlestop Restaurant in Glendale, KY on December 1, 2012, with 33 people in attendance. As usual, we ate too much and got to visit too little but I'm hopeful we can remedy that in the coming year. By now everyone should have received our 2013 Kentucky Unit Rally Schedule. As you review all the activities, I hope you will agree the activities planned offer something for everyone and you will try to attend as many of the rallies as possible.

Speaking of our publications, I would like to speak for the Kentucky Unit, to thank Dick Lewis for his many years as editor of our Newsletter; he certainly set the bar high! We are all praying that Rachel recovers from her recent illness and that she and Dick are soon back with us.

Steve Boering was installed as Unit Treasurer by Bob Moyers during the brief business meeting. It is great to see that many of our members have stepped up to fill vacancies left by those who have served us so well in the past. I couldn't help but notice that several in

attendance no longer pull their Airstream but still continue to contribute and support WBCCI's Kentucky Unit. This truly illustrates when we say Airstreamers are family, it is not just words! Other business that was conducted included approval of Unit Caravans to the Mardi Gras Rally – come join Tommy & Teresa Phipps, Bob & Louise Martin and David & Sue Payne – and the Spauldings, Wiesenbergers, Mays and Wilsons to the Cajun Caravan.

Thanks again to Clarence and Janice for a great 2012, and here's hoping you will join Shala and me in making 2013 another great year to be an Airstreamer. Merry Christmas & Happy New Year!

Larry Wilson
