

Kentucky Unit

2017 Rally Schedule

Louise and I are looking forward to our year as President of the 2017 Airstream camping rallies. We have chosen some places and things to do that, hopefully, all of you will enjoy.

Some of the things that we have planned are a Civil War meal, some Hatfield and McCoy feuding, a leisurely dinner on a friend's boat, Sorghum from an old-fashioned West Liberty mill, a get-a-way in the Smoky Mountains, a tea party in an old historical home, and many other activities.

Campsites have been reserved for each of the Airstream rallies with one exception (see notice below) and addresses and phone numbers given below; please call and reserve your site. The exception is the Fairground Campsite in West Liberty. I have already reserved the site and taken care of the Fairgrounds for that weekend. Members will be required to call and reserve their own site for each of the other rallies.

NOTICE

The Eagle's Nest Campsite in Pigeon Forge, Tennessee, would not reserve sites for the club which means we may not be all together but the park is not that big and it shouldn't be a problem. However, I would call as soon as possible as there may be no space if you wait too long. Remember this is right after

the the 4th of July weekend and the lady recommended making reservations quickly if you are planning to attend the Smoky Mountain Get-a-Way. If you are a Passport America member, your rate is \$19.08 a night (2016 rates) and \$38.73 if you are a non-member. There are NO refunds once you make a reservation.

Needless to say, call us if you have any questions at any time. My number is 606-362-8867 and our home number is 606-743-2288.
