## ADVENTURE IS WHERE YOU FIND IT!

Adventure is where you find it! It may be bicycling through the Illinois countryside, attending a Frontier League baseball game, attending a seminar, viewing the vintage trailers at the rally, eating at a local restaurant or just kicking back with friends. No matter what your interest are there were plenty of

things to see and do at the 54th WBCCI International Rally.

## SPRING TIME IN KENTUCKY CARAVAN

couples who are taking the caravan for the second time.

Safe travels and we will see you “down the road”

Larry and Shala Wilson, #10298

We arrived in Du Quoin, Il. for the annual International Rally on Monday, June 20,2011 along with other caravan leaders eager to gain new knowledge about caravans and we certainly were not disappointed. After renewing friendships and meeting new friends we began our Caravan sessions on Tuesday morning with Chuck Kiple, Chairman of the Caravan Committee, presenting updates on Caravanning. Wednesday morning Jay Thompson, Co-leader of the Southwestern Adventure Caravan and Howard Lefkowitz presented a seminar on “Creating and Maintaining a Caravan Web Page”. For a look at what we have been working on you can go to <http://discoverkentucky.wbcci.net> . We also have a Google web site, <https://sites.google.com/site/springnky/> . Each site has a link to the other site so access is easily achieved. Thanks Larry for all you help, we could not have done it without you!

On Thursday we set up our Caravan tables in preparation for marketing our respective caravans. We are happy to report that as of today (6/28/2011) we have only one slot left for our 2012 Caravan and we have 8 signed up for 2014!! We hope to add a standby list for 2012, just in case we have cancellations. If you have friends that have not yet taken the Springtime in Kentucky Caravan, urge them to sign up today; in fact even if they have gone on the caravan they may want to join 2 other

# Grandchildren's Rally

July 14 - 17, 2011

Our next rally is less than two weeks away. If you have not made your reservations for the Grandchildren's Rally there is still time to round up a few Grandkids and spend some time with them at Crossroads Campground in Elizabethtown. Elizabethtown is centrally located in the heartland of Kentucky at the junction of I65, the Bluegrass Parkway and the Western Kentucky Parkway, is easily accessible to our members no matter where you live in the Commonwealth. Crossroads Campground is a great facility with a swimming pool, horseshoe pits, swings and an air-conditioned recreation room just in case it gets a little hot during the evening. Best of all this is a full hook up facility so showers in the rv should not be a problem. You may make your reservations at:  
Elizabethtown Crossroads Campground: Phone 1-800-975-6521, email: [etowncg@comcast.net](mailto:etowncg@comcast.net)
